

LEXIE, 3-YEAR-OLD PRESCHOOLER

Not actual patient.

- Experiences allergy symptoms in the spring and fall
- There are certain days when Lexie just wants to stay home with mom and cuddle, because that's the only thing that makes her feel better
- She sneezes a lot and her eyes are always itchy
- Her mom is apprehensive about medicine in general—and what they contain—including excess sugar

Count on Children's ZYRTEC® as your foundation for allergy relief, day after day

- Effectively relieves children's worst allergy symptoms: itchy, watery eyes, sneezing, runny nose, and itching of the nose or throat
- Children's ZYRTEC® Allergy Syrup in kid-friendly flavors—grape and bubble gum, both sugar- and dye-free!
- 24-hour relief, with convenient once-daily dosing
- Provides a powerful symptom response in seasonal allergic rhinitis patients 2 years of age and older¹

Use only as directed

JOSH, 8-YEAR-OLD SPORTS FANATIC

Not actual patient.

- Suffers from allergies throughout the year
- Complains about his runny nose and constant sneezing
- He is annoyed and frustrated—dealing with symptoms, day in and day out
- He doesn't really like to take pills—but what kid does?

Count on ZYRTEC®

as your foundation for allergy relief, day after day
