

# Nurture with nature

Nature-inspired products for babies' healthy skin and hair

Tried and tested Vivvi & Bloom™ products are verified by the Environmental Working Group™ (EWG) and contain many naturally-derived\* ingredients and responsibly-sourced shea butter, making them as good for babies as they are for the community.

- Clinically proven gentle on sensitive skin
- Meet the strict health standards of EWG™
- Developed for babies of all skin tones
- Backed by 20+ scientific studies and tests

All products are formulated without parabens, phthalates, phenoxyethanol, dyes, gluten, silicones, or essential oils
